

Traction Power Technician

Full Time

Denver, CO, US

Denver Transit Operators (DTO) is a privately held company that has a 26-year contract with Regional Transportation District (RTD) to operate and maintain the new commuter rail system within the Greater Denver Metro area. We currently have opportunities to hire Traction Power Technicians and are seeking committed individuals who have experience working with 440V currency or higher.

This is a full-time position and with a starting hourly rate of \$28.70. Higher wages are commensurate with years of experience. This position is a union-represented position and candidates must join the Brotherhood of Railroad Signalmen union as a condition of employment.

DTO provides competitive health benefits, a 401k plan, holiday and vacation time off and RTD transportation pass. Interested applicants must have a high school diploma or GED, a valid Colorado driver's license and have at least 2 years of journeyman level experience in the installation, maintenance, diagnosis, and repair of electrical and electronic equipment.

Other qualifications include:

- Must be able to work scheduled overtime and be available for non-scheduled emergency call outs outside of assigned work hours
- Must pass a pre-employment physical examination
- Must be eligible to work in the U.S. and successfully pass a pre-employment background check
- Must pass a pre-employment drug and alcohol screening and be willing to comply with the DTO Drug and Alcohol Policy

If you are an individual who can work in teams, knows how to communicate with a diverse workforce and is adaptable in working with a startup and growing organization, then please apply at <http://denvertransitoperators.com/jobs-and-bids/job-opportunities/>.

DTO is an equal opportunity employer.
